

Mitel-Aastra Discontinues 675xi Series SIP Phones

Get Them Now While Supplies Last!

Mitel-Aastra has discontinued the SIP phones shown below. We still have them in stock, so get them while you can! However, they have NOT discontinued the 6731i, 6735i, 6737i and 6739i which are in good supply at Target.

You'll find Aastra-Mitel's recommended replacement to the right.

DISCONTINUED	REPLACEMENT
<p>6753i</p>  <p>The 6753i SIP Phone from Mitel offers powerful features and flexibility in a standards based, carrier-grade basic level IP telephone. With a sleek and elegant design and 3 line LCD display, the 6753i is fully interoperable with leading IP Telephony platforms, offering advanced XML capability to access custom applications and support for up to 9 calls simultaneously.</p>	<p>6865i</p>  <p>The Mitel 6865i offers exceptional flexibility in a true enterprise grade SIP desktop phone that can support up to 9 lines, has Dual Gigabit Ethernet ports and features a large 3.4" 128x48 pixel LCD display with soft white backlighting and large fonts making the screen easy to read in any lighting conditions.</p>
<p>6755i</p>  <p>The 6755i from Mitel offers powerful features and flexibility in a standards based, carrier-grade advanced level expandable IP telephone. With a sleek and elegant design, 144 x 75 pixel backlit LCD display and 6 dynamic context-sensitive softkeys, the 6755i is fully interoperable with leading IP Telephony platforms, offering advanced XML capability to access custom applications and support for up to 9 calls simultaneously.</p>	<p>6867i</p>  <p>The 6867i, with HD audio, offers a superior voice experience regardless of handset, speakerphone or headset port. The high resolution 3.5" QVGA color backlit LCD display delivers a rich visual presentation and the ICON based navigation menus and intuitive user interface makes the 6867i instinctively easy to use. The optional addition of up to 3 expansion modules makes the Aastra 6867i an attractive option for any front desk of a medium to large organization.</p>
