NEC Financial Services Deferred Payment Lease Promotion

- Make no payments for 90 days after the start of the lease.
- Choose a 3 or 5 year lease with \$1 or Fair Market Value (FMV) Purchase Options.
- Credit applications must be received by December 31 2014.
- Minimum equipment cost for this promotion is \$3,000.

Term (months)	Equipment Cost	\$1 Purchase Option Lease Rate	FMV Purchase Option Lease Rate
36	\$3,000 - \$25,000	0.03302	0.02997
36	\$25,001 - \$75,000	0.03298	0.02896
36	\$75,001 +	0.03228	0.02795
60	\$3,000 - \$25,000	0.02061	0.02055
60	\$25,001 - \$75,000	0.02057	0.02030
60	\$75,001 +	0.02025	0.01948

For all the above lease term options, the first 3 months are at \$0 per month followed by either 36 or 60 monthly payments that are calculated by multiplying the equipment cost by the applicable lease rate.

Fair Market Value options are only available for complete telecommunications systems. Leases for software based telecommunications systems must include at least one (1) server, gateway(s), router(s), and IP phones. The cost of the hardware must be at least 50% of the total equipment cost.

For more information, call your NEC Financial Services Representative at 800-451-5361.
Credit application is available online at www.neclease.com/creditapp

This lease offer is available through NEC Financial Services, LLC ("NECFIN") to qualified commercial business customers located in the U.S. only, subject to credit approval and acceptable lease documentation and other terms and conditions as may be required by NECFIN in its sole discretion. Minimum equipment cost to qualify for this lease promotion is \$3,000 (exclusive of sales tax). The actual term of the lease will be either thirty-nine (39) months or sixty-three (63) months, with the first monthly lease payment due three (3) months after the commencement of the lease. For FMV leases the equipment must include a complete new telecommunications system including phones/handsets. FMV does not provide automatic ownership or any acquisition of equity in the leased equipment. This offer may be withdrawn or changed by NECFIN at any time and without notice or obligation. Lease rate quoted does not include applicable sales or use tax. This promotion cannot be combined with any other existing NECFIN program or promotion. Applications must be received by December 31, 2014 and qualifying leases must be funded by March 31, 2015 to qualify for this offer. No sales assistance fees (SAF/VSAF) permitted under this promotion. Applicants must be in business at least 2 years to be considered for this offering.
