Konftel C50800 Hybrid

Confident Video Conferences

The premium video collaboration solution for medium to really large meeting rooms. Delivering outstanding image and audio quality, the package combines the Konftel Cam50 PTZ conference cam and the Konftel 800 conference phone with the Konftel OCC Hub for One Cable Connection to the camera, speakerphone and screen. So you can sit back with confidence and focus on the meeting.

Whatever your preferred collaboration app or cloud service, the Konftel C50800 Hybrid package will take care of the experience in the conference room. Bring your meeting with you on any laptop with a USB port, plug it in and you're good to go. With the Konftel C50800 Hybrid, you're not limited to video and VOIP calls in the collaboration app on your laptop. You can also welcome participants via regular phone calls. We call it Hybrid Conferencing.

OmniSound® **PTZ**

- Meeting size: More than 20 people
- HD 1080p 60fps
- Exceptional image sensor (2.7 inch and 2M effective pixels)
- Pan-Tilt-Zoom
- Daisy-chain connection
- 12x optical zoom
- One Cable Connection Hub
- OmniSound®
- Two-year warranty

IMPRESSIVE OPTICS

The Konftel Cam50 brings exceptional image quality to your video conferences at a fraction of the cost of other comparable conference cams with PTZ (Pan-Tilt-Zoom). It is based around premium class optics and outstanding precision – all the way from the lenses to the image sensor and the technology used to optimize the quality of the video. Even in low light, the image is crisp and clear.

AWARD WINNER FOR INTUITIVE USABILITY

The Konftel 800 offers connectivity for SIP, USB and Bluetooth® LE, enabling BYOD and use of all today's communication and collaboration tools: in the cloud, locally on site or in hybrid environments. The conference phone also meets the high standards we demand from our new products in terms of design and usability. In fact, the Konftel 800 is the winner of a Red Dot Award 2019 for its product design.
