

PLANTRONICS

# DUOPRO<sup>®</sup>

## PROFESSIONAL CORDED HEADSET SERIES

### Most versatile headset.

Versatility is the hallmark of our innovative DuoPro line, with best-in-class audio performance and all-day wearing comfort for contact center and office professionals.

The DuoPro series lets you choose your fit from over-the-ear, over-the-head or behind-the-head options while delivering superior comfort, sound and reliability.

The unique double T-pad headband rests on your head, not the ear, for ultimate stability and increased comfort.

The DuoPro is available with either the Plantronics trademark voice tube or a noise-canceling microphone that includes an innovative anti-twist boom. DuoPro is backed by a two-year warranty for unsurpassed durability all day, every day.

- **Call quality at the next level.** Adding a Plantronics amplifier featuring Clearline™ audio technology protects from loud noises, reduces echoes and background noise, and equalizes call volume—all which improve customer satisfaction and agent productivity.
- **Plantronics compatibility.** With Plantronics Quick Disconnect™ feature, DuoPro works with all Plantronics amplifiers and USB-to-headset adapters. Direct connect solutions are also available for headset-ready phones and agent consoles, providing connection flexibility for your diverse working environment.

## PROFESSIONAL CORDED HEADSET SERIES

### DuoPro® Key Features

- **Customizable comfort.** Allows you to choose your favorite style.
- **Advanced ergonomic design.** Provides superior balance, fit and comfort. Choose your preferred fit:
  - Over-the-head style**—Unique double T-pad headband distributes weight evenly so there's never a speaker pad pressing on your ear.
  - Over-the-ear style**—Conformable earloop can be molded for a secure, comfortable fit.
  - Behind-the-head style**—Optional contemporary design neckband provides a stable, discreet fit. *Neckband is only available as an accessory, sold separately.*
- **Available with voice tube or noise-canceling microphone:**
  - Voice tube**—Plantronics' trademark design is light weight and unobtrusive. Ideal for most offices and contact centers. Delivers great sound quality in all but the noisiest environments.
  - Noise-canceling microphone**—DuoPro features an innovative anti-twist boom for perfect placement every time. Ideal for noisy environments (over 65dB).
- **Supports Clearline™ audio technology.** Ensures precise listening level, sophisticated hearing protection and superior audio performance when used with Plantronics amplifiers.
- **Can be worn on either ear.**
- **Quick Disconnect™ feature** lets you walk away from your phone while still wearing your headset. Adjustable clothing clip and 10 foot coil cord allow for freedom of movement.
- **Requires Plantronics amplifier, USB-to-headset adapter or direct connect cable** to connect to phone.
