DATA SHEET

Polycom® CX100 Speakerphone Optimized for Microsoft® Lync™

High-quality, hands-free calls from your computer.

The Polycom® CX100 speakerphone gives you the ultimate hands-free calling experience from your Microsoft® Lync™-enabled computer. The Polycom CX100 speakerphone enables crystal-clear, natural conversations without echoes or feedback. Enjoy the freedom of not wearing your headset for hands-free calls, or plug into the built-in stereo headphone port for private conversations.

The Polycom CX100 speakerphone delivers remarkable wideband audio quality that enables seamless voice and video communications with no compromises. Two high-quality microphones provide excellent range for small group conversations.

Polycom CX100 Speakerphone connects and powers through an integrated USB cable for easy installation and use – no extra cables to carry or batteries to charge. Its small size and carrying case make it easy to take with you. Plus, the high-fidelity speaker doubles as a great portable solution for CD-quality music and presentation audio.

The integrated button controls allow you to pick up or hang up calls, adjust speaker volume up and down, and mute the CX100's microphones during a call without using your mouse. LED indicators on the CX100 display various call states like incoming call, call muted, active call, and voicemail waiting for user.

Don't settle for imitators: Only the Polycom CX100 speakerphone delivers a hands-free, computer calling experience that features:

- Remarkable voice quality
- Two high-quality microphones
- Integration with echo cancellation and other audio capabilities
- Integrated button controls for a seamless user experience

Polycom and Microsoft Solutions

Polycom offers the most comprehensive voice and video collaboration solutions for Microsoft Unified Communications environments. Polycom and Microsoft provide a fully unified, intuitive set of collaboration solutions that enables individuals and groups to instantly see, hear, and talk with colleagues around the world. The result is improved collaboration, streamlined operations and faster more informed decisions. Visit *www.polycom.com/microsoft* to learn more.

**Audio performance will vary by PC specification.*
