

Vertical Edge 8000 IP Phones

The Edge 8000 IP phones for the Vertical MBX IP and SBX IP communications systems are designed for ease of use as well as style. Both the 12- and 24-button models feature easy to read LCD displays and three context-sensitive soft keys plus a navigation key for intuitive, interactive call handling. Message waiting indicators let users see “at-a-glance” when messages are left. Edge 8000 IP phones also feature a fast switching speakerphone for hands-free operation, and each phone comes complete with a headset jack.

Edge 8000 IP 24-Button Phone
