

PoLRE Switch Innovation Wins 2014 PRODUCT OF THE YEAR

Phybridge is excited to announce that TMC, a global integrated media company, has named the PoLRE Switch Family a recipient of a 2014 *INTERNET TELEPHONY* Product of the Year.

"It gives me great pleasure to recognize Phybridge with a 2014 Product of the Year Award for its commitment to excellence and innovation," said Rich Tehrani, CEO at TMC. "In the opinion of our distinguished judges, the PoLRE Switch Family will prove to be among the best communications and technology solutions on the market in 2014. I look forward to continued innovation from Phybridge."

The winners of the 2014 *INTERNET TELEPHONY* Product of the Year are featured in the Jan/Feb 2014 issue of *INTERNET TELEPHONY* magazine and online at ITMAG.com.

SWITCH FEATURES

- 24 and 48 port managed options and 8 port plug-and-play

WWW.TARGETD.COM

The award-winning Phybridge PoLRE Switch delivers Ethernet and PoE over a single pair of wire with 4x the reach of traditional data switches. Customers are transforming their existing proven-reliable voice infrastructure into an IP path with power ideal for IP Telephony deployment. With the most secure network topology (given the physical separation of voice) and an easy network to manage, customers are future-proofing their LAN with no need to change the IP Phone or PoE Switch.
