Voyager Legend CS

The office headset designed to go mobile. You work in the office, on the drive home, even at home. For your flexible work style, the Voyager Legend CS was designed to move with you throughout your day. Its intuitive smart sensor technology lets you answer calls simply by placing it on your ear, and you can always count on crystal clear audio with noise canceling technology that blocks out nearby voices, car horns, even wind. Enjoy simple call management and outstanding audio from your mobile phone on the road to your desk phone in the office, and everywhere in between.

SUPERIOR CALL MANAGEMENT

- Multi-device connectivity lets you manage desk phone and mobile/tablet phone calls from a single headset
- Roam up to 33 feet from desktop charging base or mobile device
- Use your voice to answer incoming mobile calls and for a host of other commands
- Enhanced voice alerts tell you caller name (mobile calls only), connection status, talk time remaining and more
- Use with Electronic Hook Switch Cable or Handset Lifter* to remotely answer/end calls

OUTSTANDING AUDIO QUALITY

- Precision tuned triple-mic with enhanced DSP for superior noise cancellation
- Advanced WindSmart® technology provides three layers of wind protection
- SoundGuard® technology provides protection against audio spikes
- Integrated A2DP lets you listen to streaming media from your mobile phone or tablet

NEXT GENERATION TECHNOLOGY

Smart sensor technology for a seamless and intuitive user experience

- Automatically answers calls simply by placing on your ear
- Automatically transfers calls between mobile phone and headset

RECOMMENDED ACCESSORIES

- Portable charging case provides up to 14 hours of additional talk time
- USB adapter adds PC connectivity
