

ErisTerminal® SIP Deskset

VSP715

The compact VSP715 SIP deskset comes with all the essential features you need to keep pace with your business and your budget. Installation is easy and cost-effective with Power over Ethernet (PoE) support, dual Ethernet ports and auto-provisioning. Two programmable buttons provide one-touch access to shared call appearances, ACD, paging and more. Manage multiple calls with advanced call handling features and support for up to two SIP lines/accounts. Support for the G.722 wideband codec for HD Audio means you'll enjoy superior voice quality too.
