- Speaker Phone, handset and headset with full duplex
- Available in black and white colour

Not ready or willing to migrate to IP, but would like to have advanced features?

The monochrome phone excels with feature rich specifications in order to make the users daily life more convenient. The KX-DT635 brings all the great features and the high-quality that Panasonic is known for. If you are used to operating a DT300 or DT500 series digital phone, you will find the feature set and operation is as easy as you are accustomed to.

Operating your phone with a headset for convenience? The KX-DT635 has the EHS (Electronic Hook Switch) feature included, so all Panasonic confirmed headsets can be used.
