

Vertical Edge 4000 Digital Phones

The Edge 4000 digital phones for the Vertical SBX IP and MBX IP communications systems are designed for ease of use as well as style. Both the 8- and 24-button models feature easy to read LCD displays for intuitive, interactive call handling. Message waiting indicators let users see “at-a-glance” when messages are left. Each Edge 8000 phone comes complete with a headset jack for hands-free operation with a headset.
